1. MATERIAL-/MIXTURE AND COMPANY INFORMATION

Tradename : Handcleaner Super
BM-Name : HANDWASCHPASTE SUPER 10 LTR.EIMER
HANDWASCHPASTE SUPER 0,5 LTR.DOSE
Add. Names : Original BMW Ersatzmaterial
HANDWASCHPASTE SUPER 10 LTR.EIMER
Handcleaner Super
Handcleaner Super

Company : Stahlgruber Otto Gruber & Co
Gruberstr. 63, 85586 Poing
Phone : 08121/707-0
Fax : 08121/707-140
Emergency call : 08121/707-0
Product number : 54896
Tradename : Handcleaner Super
Part number : 9407489
9407291
Container : 500 ML DOSE
10 LTR. EIMER

2. COMPOSITION / INFORMATION ON INGREDIENTS

Chemical characterisation : Preparation

Ingredients:					
	CAS- No.:	EU-No./ EEC-No.:	Risc- Symbols:	R-Phrases:	Concentration:
Sodiumalkylbenzenesulfonate Xi, R36/38					
					< 10 ... %

3. HAZARDS IDENTIFICATION

For human and the environment : No hazard known.

4. FIRST AID MEASURES

9. PHYSICAL AND CHEMICAL PROPERTIES

Delivery form : paste
Colour : yellowish
Odour : fruity

Critical data

Boiling point : Exactness: ca. 100 Degrees C
flash point : Exactness: not applicable
ignition temperature : Exactness: not applicable
Explosion limits : (lower): not applicable
(upper): not applicable
Steam pressure : Exactness: 24,00 mbar
at: 20 Degrees C
Steam pressure : Exactness: 120,00 mbar
at: 50 Degrees C
Density : Exactness: ,9 g/ml
at: 20 Degrees C
Solubility : not miscible in/with Water
pH-value (quant.) : Concentration: Original material 5,5 ... 6,5

10. STABILITY AND REACTIVITY

Dangerous reactions (materials to be avoided)

According to current knowledge, no risks or dangerous reactions are known.

Dangerous decomposition products

No decomposition nor decomposition products if stored according to the regulations and handled and used appropriately.

11. TOXICOLOGICAL INFORMATION

SUBACUTE TO CHRONIC TOXICITY

Eye contact

Description : Eye irritation possible.

GENERAL INFORMATION FOR TOXICITY

Human experience : When handled appropriately and when maintaining work hygiene measures, no harmful effects are currently known.

12. ECOLOGICAL INFORMATION

ADDITIONAL INFORMATION FOR ECOLOGY

BMW Group

Safety Data Sheet according 91/155/ECC

Water Protect.

: Do not allow to enter bodies of water.

13. ADVICE TO DISPOSAL

Unused material

Disposal key no.

: 070699 ((EWC) wastes not otherwise specified (n.o.s.))

14. ADVICE TO TRANSPORTATION

Advice:

At n.a.g. (n.o.s.) - Positions the official name (proper shipping name) is to be replaced by the technical name(s) (Technical name(s)) in brackets.

Land transport

ADR/RID

not a dangerous material according to the above mentioned regulations

Sea transport

GGVSee/IMDG

not a dangerous material according to the above mentioned regulations

Air transport

IATA

not a dangerous material according to the above mentioned regulations

15. REGULATORY INFORMATION

Labelling following EC-guidelines

Classification

: The product is not classified according to EU Directives / dangerous substances legislation.

Water pollution class

water risk class:
classified by:

(2) water contaminating
Preparation rules according to Version 2 of the VwVwS

BMW Group

Safety Data Sheet according 91/155/ECC

Handcleaner Super
